Hay's Liniment.

NO FICTIO.—This extraordinary chemi-
cal composition, the result of science and the
invention of a celebrated medical man, the in-
troduction of which to the public was invested with
the solemnity of a death bed bequest, has since
gained a reputation unparalleled, fully sustaining
the correctness of the lamented Dr. Gridley's last
confession, that "the deed not die without going
to posterity the benefit of his knowledge on this
subject," and he therefore bequeathed to his
friend and attendant Solomon Hays the secret of
his discovery.

It is now used in the principal hospitals, and
the private practice in our country, first and most
certainly, for the cure of the Pile, and also so
extensively and effectually as to baffle credulity,
unless where its effects are witnessed. External-
ly in the following complaints:

For Dropsy.—Creating extraordinary absorp-
tion at once.

All swellings.—Reducing them in a few hours.
Rheumatism.—Acute or Chronic, giving quick
cure.

Sore Throat.—By cancers, ulcers or colds.

Croup and Whooping Cough.—Externally,
and over the chest.

All bruises, sprains and burns, curing in a few
hours.

Sores and Ulcers.—Whether fresh or long stand-
ing, and fever sores.

Its operations upon adults and children in re-
ducing rheumatic swellings, and loosening coughs
and tightness of the chest by relaxation of the
parts, has been surprising beyond description. "The
common remark of those who have used it in the
Piles, is "it acts like a charm."

For sale by E. Dewey, Apothecary's Hall, and
S. Sawyer, Dearborn street Chicago.

LOOKOUT FOR IMITATION.

A base attempt has been made to imitate Hay's

stock & Co.

All others must be imitations. Any person ven-
ding any other article, by the name of Hay's Lin-
iment, either at wholesale or retail, will be pro-
secuted for a violation of our copy right. The oath
of Mr. Hays may be found copied on our inside
wrapper, swearing that no other person knows
any of the component or essential parts of this Lin-
iment—and that he will not reveal the secret for
twenty years.

Oldridge's Balm of Columbia.

THE HUMAN HAIR.—Where the hair is
observed to be growing thin, nothing can be
more preposterous than the use of oils, greases, or
any fatty matter. Their application can only be
recommended through the grossest ignorance, as
they hasten the fall of the hair, by increasing the
relaxation of the skin. When there is a harsh,
dry, or contracted skin, and where the small blood
vessels which carry nourishment to the bulb are
obstructed, then the oils, &c., may be good, as
they tend to relax the skin; but alone, they are
of no avail. There must be a stimulus, to rouse
the vessels from their torpor, and quicken the cir-
culation of the blood.—Extract from Clatough's
Treatise on the hair.

The Balm of Columbia is the only preparation
that can have that effect, being entirely free from
any oily substance. Its positive qualities are as
follows:

1st.—For infants, keeping the head free from
scurf, and causing a luxuriant growth of hair.
2d.—For ladies after child-birth, restoring the
skin to its natural strength and firmness, and
preventing the falling out of the hair.
3d.—For any person recovering from any deli-
cacy the same effect is produced.
4th.—If used in infancy till a good growth is
started, it may be preserved by attention to the
latest period of life.
5th.—It frees the head from dandruff, strength-
ens the roots, imparts health and vigour to the
circulation, and prevents the hair from changing
colour or getting gray.
6th.—It causes the hair to curl beautifully when
done up in its night cover.
7th.—No ladies' toilet should ever be made with-
out it.
8th.—Children who have by any means contract-
ed vermin in the head, are immediately and per-
fectly cured of them by its use. It is infallible.

A CASE IN POINT.—I had unfortunately lost
nearly all the hair from the top of my head,
when I commenced the use of the Balm of Colum-
bia, and have, by the use of two bottles, had my
head covered with a fine growth of hair. There
can be no mistake in the matter, as any of my
friends can see by calling on me. I had also be-
come quite gray, but had the gray hairs plucked
out, and it has grown in, as the Balm says, of the
natural colour. If any body doubts these facts,
let them call upon me and see. I bought the Balm
of Comstock & Co., 2 Fletcher street.

No. 19 Counties Slip, Agent of Detroit Line,
New-York, Nov. 9.

THE LATE MAYOR of Philadelphia has
certified under seal of the city to the character of
several divines, physicians, and gentlemen of high
standing who declare positively under their own
hand (all of which may be seen at the Office)
that the Balm of Columbia is not only a certain
preservative, but positively a restorative of the
human hair; also, a cure for Dandruff. Who
is all dispute, or who go bald?

THE INCREDIBLE.—New York, Sep-
tember 28th.—I have been entirely bald during
13 years, and I have now, by the use of the genu-
ine Balm of Columbia, my head covered with fine
hair. I shall be happy to convince the most incred-
ulous, who will take the trouble to call at my
house. I have bought the article of Comstock &
Co., 2 Fletcher street.

J. P. SCHMIDLING,
47, Attorney st.

A young gentleman of 388 South Market street,
Albany, had very coarse, stiff, and straight hair,
all of which he lost by its falling out. He has
used 2 bottles of Balm of Columbia from Comstock
& Co., and now has a full flowing crop of very
long, fine hair, which curls most beautifully! His
father, who is one of the most respectable citizens
of that city, is referred to for the fact.

Mr. Lewis Millard, of Butternuts, Otsego coun-
ty, had lost his hair, and had it fully restored by
2 bottles of the Balm. In fact the cures are so nu-
merous that it is quite out of the question to refer
to one in a hundred of those who have experienced
the like effects.

BEWARE!!—Some counterfeiters have at-
tempted to imitate this article. Let it never be
purchased or used unless it have the name of L. S.
Comstock on a splendid wrapper. This is the
only external test that will secure the public from
deception.

SPITTING of Blood, Hooping Cough, and ex-
Pectorant, and Summer Complaints, Chol-
era Morbus, Diarrhoea, Dysentery, and all the
various affections of the Stomach and Bowels re-
moved by his CARMINATIVE BALSM.

Please read the following letter J.

Darlington, Beaver County, Pa. J
February, 1839. J

Dear Sir—I feel it due to you as the inventor
of the medicine and to the public, who may be
greatly benefited by it, to state a cure that was
performed in my family, by the use of your "Car-
minative Balsam."

My little son, when about two months old, was
seized with a bowel complaint, caused, as I sup-
pose, by a change of diet. It continued for two
weeks without intermission, and notwithstanding
the remedies prescribed by a respectable physician,
we gave up the child a victim, as we supposed, to
a fatal disease, but I providentially heard of
"Jayne's Carminative," as an effectual cure for
bowel complaint, and immediately despatched a
messenger to a town seventeen miles off for a bot-
tle. By the use of this medicine, in less than
thirty six hours the disease was checked; and by
its continued use for a few days the child was
restored to perfect health. Shortly after this,
there occurred a similar case in one of the fam-
ilies of my congregation; I prescribed "Jayne's
Carminative," and the result was a speedy cure.
From a knowledge of the efficacy of your medi-
cine in bowel complaints, a disease to which my
children are constantly liable, I have obtained and
keep constantly in the house, a quantity of the
"Carminative."

The same child, owing to exposure, when re-
cently coming up the Ohio, was attacked by the
horrible malady, CROUP. We landed in the
night at Beaver Point, and when our fears were
alarmed, lest the hoarse sepulchral cough was the
forerunner of death, we gave him a tea-spoon full
of the "Expectorant," (a bottle of which you pre-
sented me with when in Philadelphia) and applied
some liniment to the throat and breast, and be-
fore many minutes the hoarseness was gone, the
child breathed freely and slept serenely. Owing
to these circumstances it cannot be wondered at
why I have so high an opinion of Dr. Jayne's
medicine, and why I advise every family to keep
it on hand ready for any emergency.

Respectfully yours,
ARTHUR B. BRADFORD,
Pastor of the Presbyterian Church, Darlington,
Pa.
Dr. D. JAYNE.

Lambertville, N. J., April 27th, 1839.

Dr. JAYNE.—Dear Sir,—By the blessing of God
your INDIAN EXPECTORANT has effected a
cure in me of a most distressing complaint. In
December last, I was seized with great severity
by a Paroxysm of Asthma; a disease with which
I had been afflicted for many years past. It was
attended with a hoarseness and soreness of the
lungs and throat, together with a laborious cough,
and complete prostration of strength, and when
almost worn out with suffocation, a bottle of your
Expectorant was sent to my house. At first I
thought it was nothing but quackery, but seeing
it so highly recommended by Dr. Going, with
whom I was well acquainted, I was induced to try
it, and in a few days it completely cured me, nor
have I ever had any return of the disease since.
I have now formed so high an opinion of your
medicine, that if I had but a few bottles of it, and
could obtain no more, I would not part with them
for ten dollars each.

Yours, most respectfully,

JOHN SEGER,
Pastor of the Baptist Church at Lambertville.

PHILADELPHIA, June 9th, 1838.
To my personal friend—I would say, that I
am well acquainted with David Jayne, M. D.,
and know him to be a respectable Physician and
Druggist of this city—a gentleman in whom en-
tire confidence may be placed. I have tested in
my own case the beneficial effects of his CAR-
MINATIVE BALSM, and have greater confi-
dence in it than all the other medicines of the kind.
His EXPECTORANT is equally celebrated and
efficacious.

IRA M. ALLEN,
Agent of the Baptist General Tract Society.

The above valuable medicines are prepared only

HEPATIC PILLS.

Prepared by Dr. J. Sticel, Ottawa, Illinois.

THESE PILLS are admirably calculated to
cleanse the stomach, restore the proper
functions of the biliary organs when impaired,
and dispel with promptness the premonitory
symptoms of the Bilious Fevers in this state.
Being made expressly for the use of persons in
this climate, and intended for a family medicine,
so that every one may avail themselves of the
means of cure, and apply the remedy when the
first symptoms of disease make their appearance,
which will be noticed by a bad taste in the mouth
in the morning, with some headache, and a furred
tongue.

Directions.—The dose for adults is four pills,
to be taken on going to bed at night; and if they
should not operate by morning, take two or three
more, and repeat them every night until relief is
obtained. But if four pills should operate more
than two or three times actively, it will be best to
take but two or three the next time. Children
from five to ten years old may take from one to
two pills for a dose.

Prospectus for

THE ILLINOIS FREE TRADER.

OTTAWA, La Salle county, Ill.

The above is the title of a new paper, commenced
at Ottawa in May last, and has already a cir-
culation equal to any country paper in the State.

THE establishment of the "FREE TRADER" has
for its object the "GENERAL WEL-
FARE." To promote this our efforts shall be
chiefly devoted to the dissemination of infor-
mation relative to the fertility and exhaustless
nature of the soil composing the "Upper Illinois"—
to represent to the man of capital and enterprise
the number of advantages this highly favored
section of country presents for investment—and to
encourage emigration and settlement among us.

To the farmer we promise a liberal space of
our columns, and assure him that the "FREE TRA-
DER" will not be ungrateful of his best interests.
He shall at all times be advised of the state of the
markets—furnished with full and accurate infor-
mation relative to the improvement of his lands,
stock, etc., which will be furnished from period-
icals of the highest standing in the agricultural
community.

To the merchant, and men of business gener-
ally, we promise a full and impartial account of the
"business world," as far as the same may
come to our knowledge. Having made arrange-
ments for the receipt of the ablest and best com-
mercial journals of the Atlantic cities, we will be
able to give accurate information respecting the
principal commercial transactions in that quarter,
in conjunction with the latest foreign news,
which at the present age is all important to the
man of business, inasmuch as the Old and New
World are closely linked together in their com-
mercial transactions. We will furnish all the
information we possibly can respecting the paper
circulation of the country, and expose with un-
flinching hand, all attempts to force on the com-
munity a fraudulent and worthless currency.

The AGENT and the PROFESSIONAL MAN
we promise a share of our columns. Belonging
to the first, we shall at all times be pleased to ad-
vocate and sustain their rights, and render such
information as may tend to their prosperity and
happiness; and viewing the latter as essentially
necessary to the moral and political greatness of
our country, we will with "open hearts and
willing hands" render them all the service our
situation may command.

Having for our object the "GENERAL WEL-
FARE," as before stated, we are impelled
by a sense of justice to advocate and sustain the
measures of the DEMOCRATIC PARTY. The
"Free Trader," therefore, will be found on the
side of democracy and the people's rights—op-
posed to all "officers for life," and will
render all the aid in its power to the diffusion
of light and truth. The dark and awful designs
of the monopolist, which have for a season
clouded the prosperity and well nigh ruined the
commercial greatness of this mighty nation,
should be exposed to public gaze, and every free-
man in the land be made acquainted with their
operations.

We have taken our stand on the parapet of
democracy from a full conviction of its justice,
and as the only safe-guard offered to the pro-
tection of the free institutions of our country. But,
while we are the votaries of Democracy, and en-
deavor to perpetuate its permanency by advocat-
ing the principles of JEFFERSON and JACKSON,
we wish it to be distinctly understood, that we
will never be so far influenced by party consid-
erations, as to disregard the sentiments and feel-
ings of others, equally entitled to their own op-
inions, and who doubtless honestly maintain them.

Our course shall be mild towards our political
opponents, and our sentiments couched in re-
spectful though decided language.

The miscellaneous department of the paper,
together with such local news as may be of in-
terest to the reader, will receive due attention
from the editors.
